GEOCON 2026
BRIDGING REGIONS, ADVANCING GEOSCIENCE

SECOND CONFERENCE CIRCULAR
July 2026

ABSTRACT SUBMISSION & EARLY BIRD REGISTRATION until AUGUST 31, 2026!

REGISTRATION

Early Bird For ACTIVE GSP Members (as of Feb. 7, 2026) attending onsite ONLY	Jun 15 - Aug 31
Regular For ALL Active GSP Members in 2026	Sep 1 - Nov 15
Non-GSP Member or, Delisted / Inactive GSP Member	Sep 1 - Nov 15
Presenter NON-GSP Member with accepted abstract	Oct 15 - Oct 31
Presenter Invited/Active GSP Member	Oct 15 - Oct 31
Online	Oct 15 - Nov 30
Networking & Cocktails ONLY	Sep 1 - Dec 1

ABSTRACT SUBMISSION

Abstract Submission	Jun 15 - Aug 31
Notice of Acceptance	Sep 30 - Oct 15
PPT/Poster Submission	Oct 15 - Nov 28

REGISTRATION FEE (in PHP)

Early Bird	Active GSP Member who paid on/before Feb 7 2026	5,500.00
Regular	Active GSP Member	6,000.00
Non-GSP Member	or, Delisted /Inactive GSP Member	7,000.00
Presenter	NON-GSP Member with accepted abstract	6,000.00
Presenter	Invited/Active GSP Member	FREE
Online		4,000.00
Networking & Cocktails ONLY		2,000.00

GEOCON 2026
BRIDGING REGIONS, ADVANCING GEOSCIENCE

SECOND CONFERENCE CIRCULAR
July 2026

EVENT HIGHLIGHTS AND OVERVIEW

Why join GeoCon 2026?

1 Keynote and Plenary Talks
Gain fresh perspectives from renowned experts on the future of geoscience through innovation, collaboration, and regional partnerships

2 GeoMarketing Talks
Discover the latest geoscience technologies, products, and solutions presented by industry leaders and partners

3 Panel Discussion
Engage with experts as they discuss disaster risk reduction and management, with a focus on the recent earthquakes and flooding events in Mindanao and strategies for building more resilient communities

4 Parallel Sessions
Tailor your conference experience and choose from the concurrent technical sessions covering key topics across diverse geoscience disciplines

5 Poster Sessions
Interact and engage with researchers from different fields of geology through their innovative, and informative poster presentations

6 Networking and Cultural Night
Immerse in an evening of cultural showcase and networking. Forge new partnerships, catch up with old friends, and experience the rich local heritage, creativity and hospitality of Mindanao

7 Exhibits
Walk through interactive exhibits featuring cutting-edge technologies, research initiatives, and organizations shaping the geoscience community

8 GeoTour
Experience the unique geology of Mindanao through guided visits to *instagrammable* geologic sites and resource systems

For Registration: **gsp.geoconreg@geolsocphil.com**
For Marketing: **gsp.geoconmarketing@geolsocphil.com**

INVITED SPEAKERS

Mr. NOE L. CAAGUSAN

Keynote Speaker

Mr. Caagusan is a distinguished Filipino geologist whose career spans nearly five decades across government service, petroleum, geothermal energy, and mining. Widely regarded as one of the country's foremost exploration geologists, he has made pioneering contributions to the discovery and development of energy and mineral resources in the Philippines and abroad. His accomplishments include the discovery of the San Antonio Gas Field in Isabela — the Philippines' first onshore commercial natural gas producer — the Maibarara Geothermal Field in Batangas, the Etame Marin 120-million-barrel Oilfield offshore Gabon in West Africa, and the Khatavchiin Undur Uul Gold Deposit in Mongolia. He has also advanced gold and copper exploration in Mindanao, helping unlock the mineral potential of one of the country's most significant mineral districts. Beyond exploration, Mr. Caagusan has made lasting contributions to geoscience through his research on Philippine metamorphic terranes, offshore Palawan petroleum systems, and the metallogenic mapping of the Philippines, authoring more than 40 technical reports and publications.

These exceptional achievements have earned him some of the highest recognitions in the geoscience profession, including the Philippine Presidential Recognition, the MGB Seamount Award for his outstanding contributions to marine geological and petroleum studies, and the 2021 Philippine Federation of Professional Associations (PFPA) Distinction and Excellence Award for Geology, which recognized his remarkable body of work in petroleum, geothermal, and mineral exploration, as well as his enduring contributions to geological research and resource development.

Drawing from decades of firsthand experience, Mr. Caagusan will take us on a journey through the evolution of the Philippines' mineral districts, while reflecting on the transformation of the geoscience profession, the challenges it has overcome, and the opportunities that lie ahead for future generations of Filipino geoscientists.

GEOCON 2026
BRIDGING REGIONS, ADVANCING GEOSCIENCE

SECOND CONFERENCE CIRCULAR
July 2026

INVITED SPEAKERS

Dr. RAMON D. QUEBRAL
Plenary Speaker

Dr. Quebral is a renowned structural and engineering geologist and a leading expert on the southern segment of the Philippine Fault in eastern Mindanao. He served for over 30 years at the Mines and Geosciences Bureau, where he led the Urban Geology and Regional Geology sections. He now serves as Principal Geologist of AMH (Philippines), Inc. and a research member of the EMS Concrete Petro Lab Concrete Petrography Laboratory at the University of the Philippines.

Usec. ALESSANDRO O. SALES
Plenary Speaker

Usec. Sales is a veteran petroleum geologist with over four decades of experience in energy, corporate governance, and public policy. As Undersecretary of the Department of Energy (DOE), he leads the Energy Resource Development Bureau, driving national energy self-sufficiency by advancing upstream exploration, energy security, and the development of the country's indigenous energy resources.

Min. AKMAD A. BRAHIM
Plenary Speaker

Min. Brahim leads the Ministry of Environment, Natural Resources, and Energy (MENRE) of the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM). Since 2022, he has championed environmental governance, sustainable resource management, and climate resilience, while continuing to support the Bangsamoro peace process as Head of the Secretariat of the Joint Normalization Committee.

For Marketing: **gsp.geoconmarketing@geolsocphil.com**

GEOCON 2026
BRIDGING REGIONS, ADVANCING GEOSCIENCE

SECOND CONFERENCE CIRCULAR
July 2026

SESSION TOPICS

1 Tectonics and Volcanology
geodynamics, structural geology, fault systems, seismology, volcanology, magmatism, crustal evolution

2 Petrology and Geochemistry
petrology, mineralogy, geochemistry, isotope studies, hydrothermal systems, and magma evolution

3 Stratigraphy and Paleontology
sedimentology, stratigraphy, basin analysis, paleontology, paleoenvironmental reconstruction, and Earth history

4 Geomorphology and Surface Processes
landscape evolution, weathering, erosion, sediment transport, coastal processes, fluvial systems, Quaternary geology/processes

5 Geophysics
seismic, gravity, magnetic, electrical, electromagnetic, remote sensing, and other geophysical methods in geoscience investigations

6 Geological Hazards and Climate Change
earthquakes, landslides, volcanic hazards, tsunamis, flooding, coastal hazards, climate impacts, hazard assessment, risk reduction, mitigation, remote sensing and GIS, and resilience

7 Resources and Energy
mineral exploration, mining geology, petroleum systems, reservoir characterization, geothermal resources, groundwater, renewable energy, critical minerals, resource estimation, and sustainable resource development

8 Environmental and Engineering Geology
engineering geology, geotechnical investigations, infrastructure development, environmental geology, hydrogeology, land-use planning, site characterization, and geological risk management

9 Geoscience Education, Communication, and Policy
geoscience education, science communication, professional practice, public engagement, governance, policy development, ethics, health, safety, environment (HSE), and the societal impacts of geoscience

10 Geoheritage
geoconservation, geotourism, geoparks, geoheritage sites, geological monuments, heritage management, geoculture, and public appreciation of geologic resources

For Registration: **gsp.geoconreg@geolsocphil.com**
For Marketing: **gsp.geoconmarketing@geolsocphil.com**

ACTIVE GSP MEMBERS GET MORE AT GEOCON 2026!

Active GSP membership comes with exclusive perks to make GeoCon 2026 experience even better!

Make the most of your membership with these exclusive benefits:

- **Discounted conference registration rate (early bird/regular, FREE for presenters)**
- **Corporate rates at partner hotels**
- **Group rates for Manila–Davao–Manila airfares with FREE booking assistance**
- **10% OFF all GeoCon merchandise**
- **5% OFF any GeoTour package**

For Registration: **gsp.geoconreg@geolsocphil.com**
For Marketing: **gsp.geoconmarketing@geolsocphil.com**

HOTEL PARTNER

To avail of the exclusive GeoCon 2026 corporate rate, please provide the following **directly to the hotel's official channel**:

Please include the following:

- Full Name(s) of Guest(s)
- Check-in and Check-out Dates
- Preferred Room Type
- Mobile Number
- Email Address
- Proof of active GSP membership (2026 Certificate of Good Standing or Official Receipt of Membership Payment for 2026)

Reservations are subject to room availability.
Exclusive rates are available only to active GSP members.

GROUP AIRFARE OFFER

To avail of the group airfare rates for GeoCon 2026, email **gsp.geoconreg@geolsocphil.com** with the subject:
Subject: GeoCon 2026 Flight Reservation

Please include the following:

- Complete Address
- Date of Birth
- Age
- Mobile Number
- Email Address
- Copy of one (1) valid government-issued ID
- Proof of active GSP membership (2026 Certificate of Good Standing or Official Receipt of Membership Payment for 2026)

Only applications from active GSP members with complete requirements will be processed.

Official Travel Dates

NOV 30 MANILA ▶ DAVAO

DEC 03 DAVAO ▶ MANILA

Group rates and **FREE** booking assistance are **available exclusively to active GSP members** traveling on the official GeoCon 2026 flight schedule.

Ready to explore beyond the conference?

The 2026 GeoTour packages are finally here!

From a Davao City tour to an immersive 3-day GeoTour and an exhilarating Mt. Apo hike, choose from four exciting packages and make the most of your GeoCon 2026 experience.

See the following pages for tour highlights, itineraries, inclusions, and exclusions.

TOUR PACKAGE	SCHEDULE	RATE
3-Day GeoTour	Dec 3–5	**₱15,000.00**
3-Day GeoTour + Mt. Apo Hike	Dec 3–6	**₱20,500.00**
Mt. Apo Hike	Dec 5–6	**₱7,000.00**
1-Day Davao City Tour	Dec 3	**₱2,000.00**

Important Advisory

Please book your flights with sufficient allowance before and after the tour. Schedules are subject to change due to weather, traffic, road conditions, or other unforeseen circumstances beyond the organizers' control.

For inquiries, you may send an email to **gsp.geoconreg@geolsocphil.com.**

3-DAY GEOTOUR 2026

Davao de Oro • Davao Oriental • North Cotabato • Davao del Sur

Dec 3-5

Tour Highlights!

- Visit to Mt. Apo Geothermal Power Plant
- Exclusive mine site visits
- Geological discussions at significant rock outcrops
- Mt. Hamiguitan Natural Science Museum
- Lake Leonard
- Mandarangan Sulfur Vents
- Lake Agco
- Pilan River Geosites
- Scenic viewpoints across eastern Mindanao
- Network with geoscientists, professionals, and industry partners

Photo Courtesy: Hungry Turtle Travels

Registration: Php 15,000.00

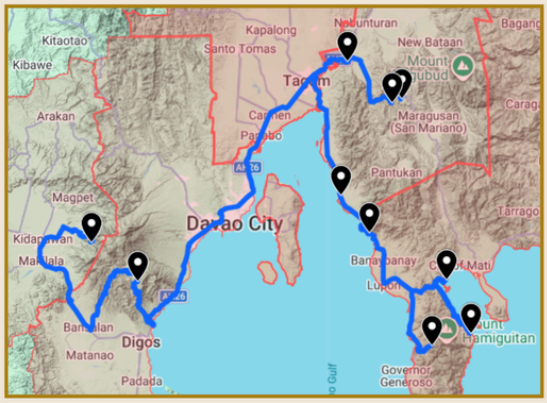

Photo Courtesy: Make It Davao

Photo Courtesy: Make It Davao

Package Includes:

- Air-conditioned transportation throughout the tour
- Two (2) nights accommodation
- Meals during the official tour
- Entrance fees to scheduled destinations
- Bottled drinking water
- Tour kit
- Field guide / information materials
- Safety vest and hard hat (for applicable site visits)
- Tour coordinators
- Local resource speakers and technical discussions
- Certificate of Participation

GEOCON 2026
BRIDGING REGIONS, ADVANCING GEOSCIENCE

SECOND CONFERENCE CIRCULAR
July 2026

GEOTOUR + MT. APO

Davao de Oro • Davao Oriental • North Cotabato • Davao del Sur

Dec 3-6

Tour Highlights!

- 3-Day GeoTour
- Guided trek to Lake Ma-ag Campsite
- Summit traverse across Kidapawan Peak, Mother Peak, and Digos Peak
- Explore Mt. Apo's volcanic landscapes and montane forests
- Discover geothermal features and other volcanic landforms
- Guided by experienced DENR personnel, local guides, and porters
- Overnight camping within Mt. Apo Natural Park

Photo Courtesy: Neil Begasa

Registration: Php 20,500.00

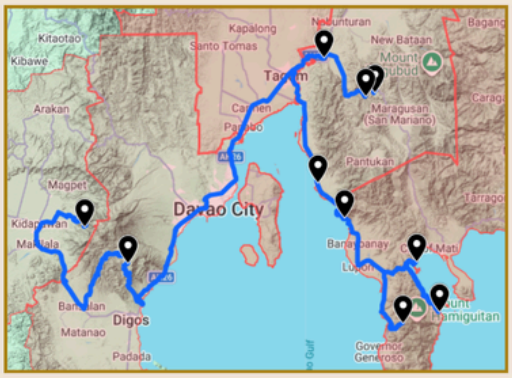

Photo Courtesy: Visit Philippines

Photo Courtesy: AllTrails

Package Includes:

- ✓ All items included in the 3-Day GeoTour
- ✓ Mt. Apo climbing permit and coordination
- ✓ Local DENR-accredited mountain guides
- ✓ Porter services
- ✓ Campsite fees
- ✓ Meals during the Mt. Apo leg
- ✓ Additional transportation required for the Mt. Apo trek
- ✓ Certificate of Participation

Exclusions:

- ✗ December 6 dinner
- ✗ Tent and sleeping bags
  - tent-sharing is encouraged to reduce weight
- ✗ Cold weather clothes
- ✗ Plate, spoon, fork, cup
- ✗ Tips and donations
- ✗ Personal purchases
  - alcohol, water, snacks, coffee, softdrinks, juices, pasalubong, souvenirs, etc
- ✗ December 2 hotel accommodations in Davao City
- ✗ December 6 hotel accommodation in Davao City

Participant Requirements

- Participants must be physically fit for a mod. to strenuous trek.
- A Fit-to-Hike Medical Certificate is required prior to hike.
- Porter service includes up to 8 kg of personal baggage; excess baggage is subject to additional charges.

Important Reminders

- Swimming is allowed at Lake Ma-ag and/or Lake Agco
- Collection of rock samples is STRICTLY PROHIBITED within Mt. Apo Natural Park, including the Pilan River, as these areas are sacred to the Indigenous Lumads

UNLOCK YOUR GEOCON 2026 MEMBER PERKS NOW!

Not a GSP member yet?
Not sure if your membership is active?

Getting started is easy!

- Visit the **GSP Website** (scan QR code).
- Log in to account (or, create one if you don't have one yet).
- Check your membership status and **complete your member profile**.
- **Upload an updated CV and valid PRC ID (required for Regular Membership**; applicants without a valid PRC ID may apply for Associate Membership).

Only active GSP members with complete and updated profiles are eligible for GeoCon 2026 member-exclusive perks.

Scan for GSP Website

Update your GSP membership today to **unlock your exclusive GeoCon 2026 member benefits** while supporting GSP in maintaining its status as the AIPO for Geologists and an accredited CPD Provider. Your active membership is **part of the documentary requirements submitted to PRC in support of GSP's accreditation and regulatory compliance**.

Help us help you!

For Registration: **gsp.geoconreg@geolsocphil.com**
For Marketing: **gsp.geoconmarketing@geolsocphil.com**

REGISTERING AS A GROUP?

Before submitting your Group Registration Request through the GSP website, please ensure the following:

Verify the membership status of everyone included in your group.

Ensure all geologists are active GSP members, or are willing to renew/pay their membership dues.

Confirm that each member has a complete and updated GSP website profile.

Completing these steps beforehand will help us process your group registration faster and avoid delays.

BECOME A SPONSOR

Email us at
gsp.geoconmarketing@geolsocphil.com.
You may also reach out to any of the members of the BOT, or GeoCon Committee.

GeoCon 2026 Co-Chairs

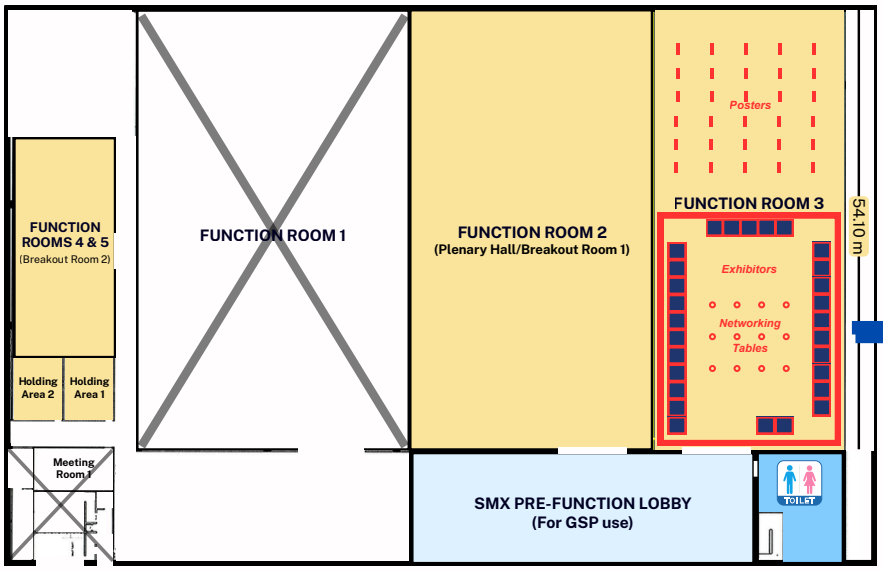

Arturo A. Morado, Jr.: art_amjr_99@yahoo.com
Mary Rose P. Gabuyo: mrpgabuyo@gmail.com

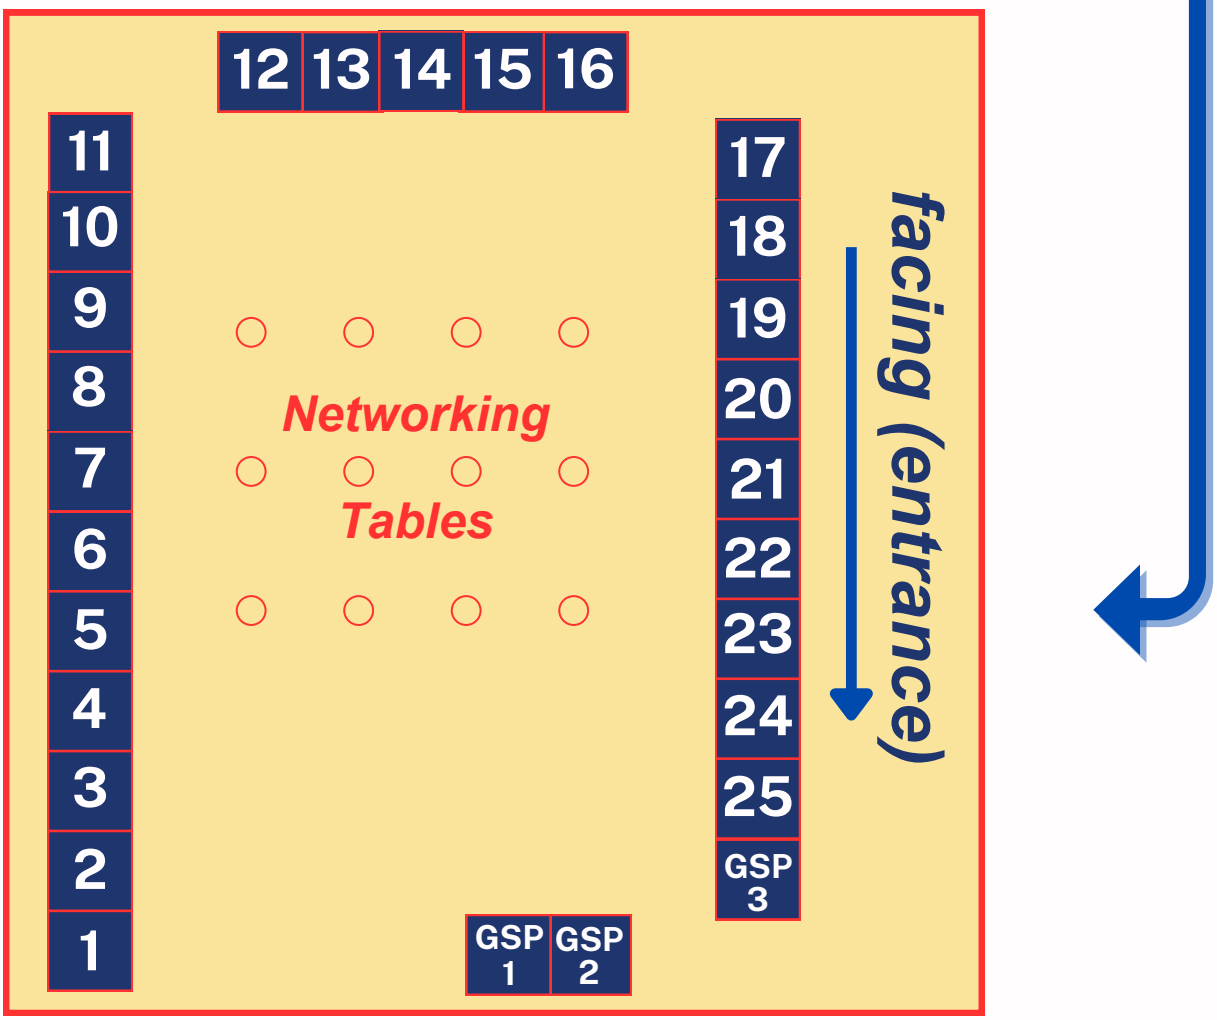

Kindly provide the following, **for the official sponsorship letter:**

- Name of Addressee
- Designation
- Company Name
- Company Address
- Email Address
- Contact number (Viber/phone, for follow up)

EXHIBITORS' BOOTH SETUP

1. **Booth size = 2 x 2 x 2 m**
2. **Corner booths have 2 open sides**
3. **Inclusions:**
   - 1 table
   - 2 chairs
   - panel board
   - label

GSP 2026 EXCELLENCE AWARDS

CALL FOR NOMINATIONS IS OFFICIALLY CLOSED

Next Step:
SENDING OF NOTIFICATION TO NOMINEES

Those who accept their nomination must submit the documentary requirements **on or before 30 September 2026**.

Thank you to everyone who participated in this year's nomination process.

DOCUMENTARY REQUIREMENTS

- Accomplished Personal Data Form from GSP
- Proposed Citation Form
- Photocopy of valid PRC ID
- Accomplished Character Reference Form
- Comprehensive Curriculum Vitae
- Digital 2x2 Picture with background
- NBI Clearance/ Ombudsman Clearance
- Certificate of Good Standing with GSP
- At least 10 photos showing field practice

TIMELINE

DATE	ACTIVITY
Aug 1-7, 2026	NOTIFICATION TO NOMINEES
Aug 1 - Sep 30, 2026	SUBMISSION OF REQUIREMENTS
Oct 31, 2026	SCREENING/EVALUATION (GSP NAC & BOT)

Frequently Asked Questions

WHERE CAN I FIND INFORMATION ABOUT THE EVENT AGENDA AND SCHEDULE?

Please visit the GSP website (geolsocphil.com) for all GeoCon 2026-related information. Announcements and updates are also disseminated through email blasts, and GSP and GeoCon 2026 FB pages.

HOW CAN I CONFIRM MY MEMBERSHIP STATUS TO AVAIL OF THE DISCOUNTS?

Visit the GSP website, select GeoCon 2026 from the main menu, and click Register Here. Then, choose Join as GSP Member. On the payment portal page, your payment history is displayed at the bottom.

CAN WE PAY BY GROUP?

Yes. Visit the GSP website, select GeoCon 2026 from the main menu, and click Register Here. Then, choose Register as Group. Fill out the form completely, wait for confirmation, pay, and upload proof.

WHO CAN AVAIL OF THE EARLY BIRD REGISTRATION RATE?

The Early Bird Discount Fee applies to Life Members and Active Members who paid their annual membership fee on or before February 7, 2026. Early bird registration is only available for ONSITE ATTENDEES.

HOW WILL I KNOW IF MY REGISTRATION IS CONFIRMED?

A registration confirmation email will be sent to your registered email address upon payment completion.

IS CONFERENCE REGISTRATION FREE FOR PRESENTERS?

Only active GSP members with accepted abstracts are entitled to free GeoCon 2026 registration.

CAN I UPGRADE OR DOWNGRADE MY REGISTRATION CATEGORY?

Yes. Downgrades (onsite to online) can be accommodated but are not eligible for refunds. Upgrades (online to onsite) are subject to slot availability and payment of the corresponding fee difference.

CAN I TRANSFER MY REGISTRATION TO ANOTHER PARTICIPANT?

Yes. Registration transfer request is allowed 15 working days prior to the event. Transfer request after said period will no longer be accommodated.

For Registration: **gsp.geoconreg@geolsocphil.com**
For Marketing: **gsp.geoconmarketing@geolsocphil.com**

Frequently Asked Questions

WHEN IS THE DEADLINE FOR ABSTRACT SUBMISSION?

Abstract submissions will be accepted until 31 August 2026, 11:59 PM (Philippine Time).

I AM A STUDENT. CAN I SUBMIT AN ABSTRACT?

Yes. Student authors may submit abstracts, provided they have an eligible GSP member co-author to comply with registration and submission requirements.

I HAVE SPECIAL ACCESSIBILITY NEEDS/DIETARY REQUIREMENTS; CAN YOU ACCOMMODATE ME?

Yes. Please inform the Organizing Committee in advance through gsp.geoconreg@geolsocphil.com so appropriate arrangements can be explored.

HOW CAN I JOIN GEOTOUR 2026?

GeoTour 2026 is a separate post-conference activity with limited slots. Registration details and fees will be announced separately. Please check all communication and announcement channels for updates.

ARE HOTEL ACCOMMODATIONS AVAILABLE NEAR THE VENUE?

Yes. Recommended hotels are announced through the GeoCon 2026 website and official channels.

IS THERE A DRESS CODE?

Business or business-casual attire is recommended during conference sessions.

IF THE EVENT IS CANCELED, DO I GET A REFUND?

In cases of force majeure, the conference may be rescheduled. If rescheduling is not feasible, refund arrangements shall be announced by the Organizing Committee.

CAN I GET A REFUND IF I CHANGE MY MIND ABOUT ATTENDING?

Registration fees are generally non-refundable, but requests may be considered on a case-by-case basis, subject to applicable charges and processing fees. No refunds will be granted for cancellation requests received 30 days before the event.
